

ANNOUNCEMENT from APUKKA RESORT

We are all dreaming of that perfect holiday of unforgettable memories. The time for that will come again and trust us when we say, when it does Apukka Resort will be ready to welcome you as a dear friend. For now, it is time for all of us to carry our responsibility to prevent the spread of the coronavirus.

Due to the Emergency Legislation set by the Finnish Government, the borders of Finland are being closed and Passenger Traffic to Finland is to be suspended as soon as possible. Followed by this, the winter season 2019-2020 in Apukka Resort will end on the **23rd of March 2020**.

As the coronavirus is having an impact on worldwide tourism for a time period yet uncertain, we here in **Apukka Resort have made a very difficult decision of remaining closed throughout the summer 2020**. Our doors will open again for all those seeking adventures on the **12th of October 2020**, ready for yet another beautiful winter season. Rest assured, our summer adventures will remain waiting for you for the summer 2021. Our sales department (sales@apukkaresort.fi) will be happy to help you throughout the year with any questions or booking enquiries you might have.

We here in Apukka Resort believe in the beauty of dreams. No virus, no matter how nasty it is, can take away our dreams. We ask you to keep your dreams alive too – one day as you step through the doors of Apukka Resort, we will help those dreams come true.

Harri Mällinen

CEO / Apukka Resort
