

KEEP THE DREAMS ALIVE

We in Apukka Resort believe in the beauty of dreams. We believe in marvellous adventures and romantic love stories, in unforgettable encounters and memories that last throughout a lifetime.

We truly wanted to turn these dreams into your reality this winter. We wanted to play a part in your great adventures. We fought for what we believed in. We fought for you. Despite the fact that the entire world has found itself in the middle of a new era – an era where a certain nasty virus seems to be hiding behind every corner – we here in Apukka have kept believing in the power of dreams. Sometimes, however, even the best of plans change.

Due to the challenges brought to worldwide tourism by the coronavirus, we have made a very difficult decision of closing Apukka Resort for the winter 2020-2021. Our doors will close on the 9th of November 2020 and open again for all those seeking adventures on the 1st of December 2021, ready for yet another beautiful winter season.

Our sales department (sales@apukkaresort.fi) will be happy to help you throughout the year with any questions or booking enquiries you might have.

Remember, dear Friend, that dreams are adventures just waiting to happen. Dreams do not perish within time, they grow to be even greater and more marvellous than before. And that day when these dreams become a reality, that is the day we are truly alive.

Keep the dreams alive.
